ADDENDUM #2

Issued Date 3/20/23

The purpose of this addendum is to provide detailed information to all Bidders. This addendum is hereby included in and made part of the Contract Documents, whether or not attached thereto. Receipt of this Addendum must be acknowledged on the bid form.

Question 1: Do you have an engineer's estimate?

Answer 1: We do not provide our budgetary estimates pre-bid.

Question 2: What is the completion date?

Answer 2: Estimated completion by the end of June 2023

Question 3: Do you know the liquidated damages?

Answer 3:

Question 4: You are requiring a 9 gauge mesh for this project. Is this mesh regular extruded (which is more for a residential application)? Or are you requiring a 9 gauge core fuse bonded (which would give you an 8 gauge finish)? This is more for a commercial / Industrial application.

Answer 4: We do not require a 9 gauge core fuse bonded.

Question 5: On the drawing showing the details (sheet # L100), at the top right corner it clearly says that we are to install ties on the top and bottom rails. However the drawing shows an additional rail in the middle. Are we eliminating this middle rail?

Answer 5: We will not require a mid rail

Question 6: Just to confirm, you are requiring ALL material to be black, correct? (Posts, rails, hardware and mesh)

Answer 6: Yes, all material shall be black.

Please acknowledge this addendum on your bid form.
